Anneliese Thibodeaux

Aircraft Mechanic (A&P)

Charlotte, NC · anneliese.thibodeaux@example.com · (980) 555-0153 · LinkedIn

SUMMARY

FAA-certificated A&P mechanic with 8 years on Embraer E175 and Airbus A320 family aircraft, covering line, overnight and heavy check maintenance under Parts 121 and 145. Holds Inspection Authorization and RII sign-off. Troubleshoots avionics, hydraulic and landing gear faults with the AMM, FIM and wiring manuals, and keeps logbook entries audit-ready.

EXPERIENCE

Lead Line Maintenance Technician — Piedmont Regional Airways

Charlotte, NC · Feb 2021 – Present

- Lead a 5-mechanic overnight shift completing daily and weekly checks on 14 E175 aircraft, releasing an average of 12 aircraft a night.
- Cleared 90+ deferred MEL items a quarter, keeping the station's open deferral count under 10 against a fleet target of 15.
- Traced a recurring bleed air fault on 3 aircraft to a chafed sensor harness behind a pylon panel, ending 6 weeks of repeat write-ups.
- Performed 400+ RII inspections with zero findings in 2 FAA and 3 internal audits of my sign-offs.

Aircraft Maintenance Technician — Blue Ridge Aero Services (Part 145)

Greensboro, NC · May 2017 – Jan 2021

- Completed C-check task cards on 30+ A320 family aircraft, including landing gear removals, flight control rigging and corrosion repairs.
- Performed borescope inspections on CFM56-5B engines during 25 heavy checks, documenting blade damage for engineering review.
- Finished assigned task cards an average of 8% under planned hours while keeping a zero-rework record on inspected items.

SKILLS

Aircraft and engines: Embraer E175, Airbus A319/A320/A321, CFM56-5B, GE CF34-8E

Maintenance: Line and overnight checks, C-checks, MEL deferrals, landing gear, flight controls, sheet metal

Troubleshooting: AMM, FIM, IPC and wiring diagram use, avionics and electrical faults, hydraulics, bleed air

Systems and records: AMOS, TRAX, logbook entries, RII sign-off, FAA Part 43 documentation

CERTIFICATIONS

FAA Airframe and Powerplant (A&P) Certificate, 2017

FAA Inspection Authorization (IA), 2023

Engine run-up and taxi qualified, E175

EDUCATION

Aviation Maintenance Technician Program, Guilford Technical Community College, 2017
