Casimir Wojtowicz

Automotive Technician

Columbus, OH · casimir.wojtowicz@example.com · (614) 555-0119 · LinkedIn

SUMMARY

Automotive technician with 7 years in dealership and independent shops, ASE certified in 6 areas including A6 electrical and A8 engine performance. Turns 45-50 flat-rate hours a week on drivability, electrical and chassis work while holding a comeback rate under 2%. Strong on scope diagnostics and network faults.

EXPERIENCE

Automotive Technician — Brookhaven Motors

Columbus, OH · Apr 2021 – Present

- Turn 45-50 flat-rate hours a week on drivability, electrical, brake and suspension repairs across 3 domestic and Asian brands.
- Hold a comeback rate under 2% over 3 years by road-testing every repair and rechecking codes before delivery.
- Diagnosed 30+ network communication faults using a lab scope and wiring diagrams, cutting unneeded module replacements.
- Completed 400+ warranty and recall repair orders a year with zero warranty chargebacks in 2024.

Lube and Maintenance Technician — Fairmount Auto Service

Dublin, OH · Jun 2018 – Mar 2021

- Performed 15-20 oil services, tire rotations and multi-point inspections a day on cars and light trucks.
- Moved into brake and suspension work within 12 months, completing 250+ brake jobs to spec with road tests.
- Flagged worn components during inspections that led to about $1,500 a week in approved additional repairs.

SKILLS

Diagnostics: Scan tools, lab scope, voltage drop and parasitic draw testing, smoke testing, CAN network faults
