SUMMARY

Cabinet maker with 9 years building custom residential cabinetry and commercial casework in 12-person shops. Builds frameless and face-frame boxes, runs the panel saw, edgebander and CNC router, and installs on site. Known for tight fits, clean scribes and about 18 kitchens a year with no warranty callbacks.

EXPERIENCE

Lead Cabinet Maker — Knik Arm Woodworks

Anchorage, AK · Apr 2020 – Present

- Build and assemble about 45 frameless cabinet boxes a week for kitchens, baths and offices, holding joints within 1/32 inch.
- Programmed and ran the CNC router for about 300 sheet goods a month, cutting material waste by about 12% with better nesting.
- Installed about 18 custom kitchens a year with crews of 2, finishing most without a single callback.
- Trained 3 shop helpers on the edgebander, assembly table and hardware jigs over 2 years.

Cabinet Maker — Eagle River Millwork

Eagle River, AK · May 2016 – Mar 2020

- Built face-frame cabinets, vanities and built-in bookcases for about 60 homes.
- Made solid wood doors and drawer fronts on the shaper, about 120 doors a month.
- Prepped and sprayed finish on about 25 jobs a year with lacquer and conversion varnish.
