Mateo Lindqvist

Journeyman Carpenter

Minneapolis, MN · mateo.lindqvist@example.com · (612) 555-0168 · LinkedIn

SUMMARY

Journeyman carpenter with 7 years in residential and light commercial construction, from wall layout and framing through interior trim. Lays out and frames 2-3 single-family homes a month with a lead crew of 3, and ran finish carpentry on a 28-unit condo building that closed its punch list 6 days early. OSHA 30 and fall protection trained.

EXPERIENCE

Journeyman Carpenter / Framing Lead — Northline Homebuilders

Minneapolis, MN · Apr 2021 – Present

- Lay out and frame 2-3 single-family homes a month with a crew of 3, from sill plate to roof trusses, passing framing inspection on 31 of the last 33 houses.
- Ran interior trim and door hanging on a 28-unit condo building, closing the punch list 6 days ahead of the general contractor's schedule.
- Cut lumber waste on a repeat 4-bedroom plan by about 12% by building a cut list and pre-marking studs before each delivery.
- Reworked stair stringers on 4 homes where the finished floor height changed late, keeping every riser within code tolerance on the first inspection.
- Trained 3 first-year apprentices on layout with a chalk line, story pole and laser level; all 3 now frame walls without supervision.

Carpenter Apprentice — Lake Street Builders

St. Paul, MN · Jun 2018 – Mar 2021

- Completed a 4-year union carpentry apprenticeship in under 3 years, logging 5,600 field hours across framing, forms and interior finish.
- Built and stripped concrete wall forms for 9 commercial foundations, holding wall dimensions within 1/4 inch over 60-foot runs.
- Installed 140+ interior doors and 2,000 linear feet of base and casing on 2 office renovations with no callbacks.

SKILLS

Carpentry: Wall layout, platform framing, roof framing, stair building, interior trim, door and window installation

Plans and layout: Blueprint reading, cut lists, laser levels, builder's transit, story poles

Safety: OSHA 30, fall protection, scaffold use, power tool safety
