CERTIFICATIONS

OSHA 30-Hour Construction, 2022

Flagger Certification, Ohio, 2021

First Aid and CPR, 2024

SUMMARY

Construction laborer with 7 years on commercial and multifamily sites, supporting concrete, framing and site prep crews of 6 to 15 workers. Helped place about 4,000 cubic yards of concrete last year and run compactors, saws and skid steers daily. OSHA 30 trained with no recordable injuries in 5 years. Known for steady attendance, a clean work area and staying ahead of what the crew needs next.

EXPERIENCE

Construction Laborer — Scioto Ridge Builders

Columbus, OH · May 2020 – Present

- Support a 12-person concrete crew on commercial projects, helping place about 4,000 cubic yards of footings, walls and slabs in 2025.
- Set and strip about 1,800 linear feet of wall forms a month, cleaning and stacking panels so the next pour starts on time.
- Operate plate compactors, walk-behind saws and a skid steer about 30 hours a week with zero equipment damage reports.
- Kept a record of no recordable injuries across roughly 9,000 hours by following daily toolbox talks and fall protection rules.
- Trained 6 new laborers on site cleanup, rebar chairs and safe lifting during their first 2 weeks.

General Laborer — Hilltop Residential Construction

Grove City, OH · Mar 2018 – Apr 2020

- Helped frame and close in about 35 single-family homes, carrying material and staging lumber for 2 framing crews.
- Dug and backfilled about 60 foundation and utility trenches by hand and with a mini excavator.
- Cut daily site cleanup time by about 30 minutes by organizing a fixed scrap and recycling area.

SKILLS

Site Work: Excavation support, trenching, grading, backfill, compaction, erosion control

Concrete: Forming and stripping, rebar placement, pouring, screeding, finishing support

Equipment: Skid steer, mini excavator, plate and jumping-jack compactors, concrete saws, jackhammers

Safety: OSHA 30, fall protection, trench safety, flagging, lockout awareness

EDUCATION

High School Diploma, Westland High School, 2015
