EXPERIENCE

Senior Cost Accountant — Tamarack Hydraulic Components

Grand Rapids, MI · Apr 2022 – Present

- Own standard costs for 1,400 SKUs across 3 plants, leading the annual cost roll that resets $62M of inventory value each January.
- Rebuilt machine-hour overhead rates from 18 months of routing data, moving $1.3M of overhead from high-volume pumps to low-volume custom valves.
- Built a monthly variance bridge splitting $4.1M of manufacturing variances into price, usage, labor efficiency and scrap, now used in the plant review.
- Led quarterly cycle counts with operations at 2 warehouses, bringing inventory adjustments from 1.8% to 0.4% of book value.

Cost Accountant — Pinehollow Packaging Co.

Holland, MI · Jun 2019 – Mar 2022

- Calculated product costs for 600 corrugated SKUs, including resin and board price updates every quarter.
- Reconciled work-in-process and finished goods to the general ledger every month, clearing 25 aged reconciling items.
- Found a bill of materials error overstating board usage by 7% on 40 SKUs, correcting $380,000 of annual margin reporting.
- Prepared 12 monthly scrap reports by line, helping the plant manager target 2 lines that drove 60% of waste.
