Bartholomew Okonkwo-Reyes

Journeyman Drywall Installer, Commercial and Residential

Columbus, OH · bartholomew.okonkwo@example.com · (614) 555-0102 · Project photos · LinkedIn

CERTIFICATIONS

OSHA 30-Hour Construction, 2023

Completed 4-year drywall apprenticeship, Carpenters Union, 2021

Scissor lift and boom lift operator card, renewed 2025

SUMMARY

Journeyman drywall installer with 7 years on new-build homes, tenant fit-outs and medical offices, hanging 40 to 55 sheets a day on a two-person crew. Experienced with metal stud framing, fire-rated and sound-rated assemblies, and Level 4 and Level 5 finishes. Passed 96% of drywall inspections on the first visit in the last 3 years. OSHA 30 certified and trusted to lead a 3-person crew on smaller jobs.

EXPERIENCE

Journeyman Drywall Installer — Scioto Interior Systems

Columbus, OH · May 2021 – Present

- Hang 40 to 55 sheets of 5/8-inch board a day on commercial jobs, including ceilings, soffits and shaft walls.
- Framed metal studs and installed board for about 180,000 square feet of tenant fit-outs across 14 projects.
- Built 1-hour and 2-hour fire-rated assemblies to listed designs, passing 96% of inspections on the first visit.
- Lead a 3-person crew on jobs under 10,000 square feet, finishing 9 of the last 10 ahead of the general contractor's schedule.
- Cut punch list items on my crew's floors from about 30 to 12 per floor by checking corners and fasteners before tape.

Drywall Apprentice — Hilliard Home Builders

Hilliard, OH · Jun 2017 – Apr 2021

- Hung and taped board in about 120 new-build homes, from basements to vaulted ceilings.
- Ran automatic taping tools and boxes on about 60 homes, cutting finish time per house by roughly 1 day.
- Patched and repaired about 200 warranty items a year with no repeat callbacks on 95% of them.

SKILLS

Hanging and Framing: Metal stud framing, wood framing repair, ceiling grids, soffits, shaft walls, screw guns, panel lifts

Taping and Finishing: Taping, mudding, Level 4 and Level 5 finishes, corner bead, automatic taping tools, skim coats, texture spray

Rated Assemblies: Fire-rated walls and ceilings, sound-rated walls, moisture-resistant and abuse-resistant board

Site Skills: Blueprint reading, laser levels, material takeoffs, scissor lifts, scaffolding, dust control

EDUCATION

Drywall and Interior Systems Apprenticeship, Ohio Regional Carpenters Training Center, 2021
