Augustin Ravelstoke

Heavy Equipment Operator, Excavator and Dozer

Denver, CO · augustin.ravelstoke@example.com · (303) 555-0140 · LinkedIn

SUMMARY

Heavy equipment operator with 8 years in civil site work, road building and utility installation, running excavators up to 50 tons, dozers and motor graders. Uses Trimble GPS grade control to hold finish grade within 0.1 ft and has worked over 4,000 days without a recordable incident. Class A CDL and OSHA 30.

EXPERIENCE

Heavy Equipment Operator — Front Range Civil Constructors

Denver, CO · Mar 2021 – Present

- Operate CAT 336 and 349 excavators on site development projects worth up to $14 million, digging and loading about 1,200 cubic yards a day.
- Run a D6 dozer with Trimble GPS to rough and finish grade 40-acre subdivisions, holding tolerances within 0.1 ft.
- Install storm and sanitary pipe up to 48 inches with a 3-person crew, laying about 300 linear feet a day in trench boxes.
- Complete daily pre-shift inspections on 3 machines, catching 2 hydraulic leaks in 2025 before they caused downtime.

Equipment Operator — Plains County Road and Bridge

Greeley, CO · May 2017 – Feb 2021

- Operated motor graders on 180 miles of county gravel roads, reshaping crowns and ditches on a 6-week rotation.
- Ran loaders and backhoes for culvert replacements, completing 25 installations a year.
- Hauled equipment with a lowboy under a Class A CDL, logging 20,000 miles with no violations.
