Branimir Kowalczyk

HVAC Technician

Des Moines, IA · branimir.kowalczyk@example.com · (515) 555-0162 · LinkedIn

SUMMARY

HVAC technician with 6 years in residential service and light commercial install, EPA 608 Universal certified. Completes 8-10 service calls a day, diagnosing refrigerant, electrical and airflow issues on Carrier, Trane and Lennox systems. Cut callback rate on his routes from 9% to 3% by improving diagnostic checklists.

EXPERIENCE

HVAC Service Technician — Heartland Comfort Systems

Des Moines, IA · Mar 2022 – Present

- Complete 8-10 residential and light commercial service calls a day, diagnosing refrigerant, electrical and airflow faults on Carrier, Trane and Lennox systems.
- Built a 12-point diagnostic checklist for no-cool calls that cut average callback rate on my routes from 9% to 3% over 8 months.
- Installed 60+ split-system and packaged units a year, sizing systems with Manual J calculations before each quote.
- Trained 3 apprentices on refrigerant recovery, brazing technique and EPA 608 compliance during their first 6 months.

HVAC Installer — Blackstone Mechanical

Ames, IA · May 2019 – Feb 2022

- Installed ductwork, condensers and air handlers for 40+ new residential construction homes, coordinating with electricians and framers on rough-in timing.
- Ran static pressure tests on 100+ systems and resized ductwork on 15 jobs where airflow fell short of manufacturer spec.
- Completed EPA 608 refrigerant recovery and charging for 200+ systems with zero recordable violations.

SKILLS

Diagnostics: Refrigerant charge and leak detection, electrical troubleshooting, airflow and static pressure testing

Installation: Split-system and packaged units, ductwork design, Manual J load calculations, heat pumps

Equipment: Carrier, Trane, Lennox, Goodman, Mitsubishi mini-splits

Tools: Refrigerant gauges, combustion analyzers, multimeters, ServiceTitan

CERTIFICATIONS

EPA 608 Universal, 2019

NATE Certified, 2021

EDUCATION

HVAC/R Certificate, Des Moines Area Community College, 2019
