SUMMARY

LPN with 5 years of experience across skilled nursing and primary care, licensed in Oklahoma with an active multistate compact license. Manages a 14-resident med pass with zero missed-dose errors over the past year and coordinates care plans with RNs and physicians. Comfortable with Epic and wound care documentation.

EXPERIENCE

Licensed Practical Nurse — Willowgate Skilled Nursing Center

Tulsa, OK · Apr 2022 – Present

- Administer and chart medications for a 14-resident caseload across two med passes a day, with zero missed-dose errors logged in the past 12 months.
- Perform wound care and dressing changes for 6 residents weekly, documenting healing progress that led to 2 care plan revisions with the wound care nurse.
- Flag early signs of decline during vitals rounds, including one resident's dropping oxygen saturation that led to same-day transfer and a confirmed pneumonia diagnosis.
- Train 3 new CNAs each quarter on proper gait-belt transfers and skin checks, cutting reported transfer-related incidents on the floor by 30%.

LPN, Primary Care — Red Fork Family Medicine

Tulsa, OK · Jul 2019 – Mar 2022

- Roomed and triaged 22 to 28 patients a day for 2 physicians, taking vitals and histories that cut average exam-room wait time by 6 minutes.
- Managed the diabetic foot exam and A1C recall list of 140 patients, raising on-time annual screenings from 68% to 89%.
- Administered immunizations and injections for an average of 15 patients daily, maintaining a clean record across 3 state audits.
