Lucius Abernathy-Okonkwo

Maintenance Supervisor, Food and Packaging Manufacturing

Newark, DE · lucius.abernathyokonkwo@example.com · (302) 555-0113 · LinkedIn

SUMMARY

Maintenance supervisor with 14 years in food and packaging plants, including 6 years leading crews of up to 12 mechanics and electricians across 3 shifts. Cut unplanned downtime on 4 packaging lines by about 35% by raising PM completion to 96%. Holds a clean safety record with no lost-time injuries on my crews in 5 years.

EXPERIENCE

Maintenance Supervisor — Christina Marsh Snack Foods

Newark, DE · May 2019 – Present

- Lead 12 mechanics and electricians across 3 shifts maintaining 4 packaging lines, 2 fryers and plant utilities.
- Cut unplanned downtime from about 46 to 30 hours a month by raising PM completion from 78% to 96%.
- Manage a $1.3M annual maintenance budget and lowered spare parts spending by 11% with min-max stock levels.
- Ran 5 years with no lost-time injuries on my crews through daily lockout checks and monthly safety walks.

Industrial Mechanic — Red Lion Folding Carton Company

Bear, DE · Jun 2011 – Apr 2019

- Repaired and rebuilt gearboxes, conveyors and folder-gluers on 6 carton lines.
- Wrote 40 PM task lists in the CMMS that the plant still uses.
- Trained 5 apprentice mechanics on alignment, bearings and lockout procedures.
