Dmitri Vanterpool

Journeyman Mason, Brick and Block

Columbus, OH · dmitri.vanterpool@example.com · (614) 555-0131 · LinkedIn

SUMMARY

Journeyman bricklayer with 8 years on schools, clinics and mid-rise commercial buildings, laying face brick veneer and reinforced CMU. Averages 550-650 modular brick a day on straight walls and leads a 2-mason, 2-tender team on corner and opening work. Passed 22 consecutive grout and rebar special inspections on structural block.

EXPERIENCE

Journeyman Bricklayer / Corner Lead — Scioto Masonry Contractors

Columbus, OH · Mar 2020 – Present

- Lay 550-650 modular face brick a day on veneer walls, holding bed joints to 3/8 inch and courses level within 1/8 inch over 40-foot runs.
- Lead a 4-person team building leads and corners on 6 school and clinic projects, setting the line for 8 other masons on each wall.
- Built 14,000 square feet of 8-inch reinforced CMU on a 3-story medical office, passing 22 consecutive grout and rebar special inspections.
- Installed flashing, weeps and mortar nets at every shelf angle on a 5-story building, with no water found during the envelope test.
- Cut brick waste on a radius stair tower by about 9% by laying out the course pattern on the deck before the first unit went down.

Bricklayer Apprentice — Franklin Brick & Block

Grove City, OH · Aug 2016 – Feb 2020

- Finished a 3-year bricklayer apprenticeship with 4,800 field hours on veneer, block foundations and chimney repair.
- Laid block foundations for 38 houses, keeping top-of-wall elevation within 1/4 inch of the plan for sill plates.
- Repointed 2,100 square feet of 1920s brick on a library restoration using a lime mortar matched to the original.

SKILLS

Masonry: Face brick veneer, reinforced CMU, leads and corners, arches, shelf angles, flashing and weeps
