Seraphine Okwuosa-Lindgren

Medical Scribe

Nashville, TN · seraphine.okwuosalindgren@example.com · (615) 555-0124 · LinkedIn

SUMMARY

Medical scribe with 3 years in emergency and family medicine, documenting about 30 patient encounters a shift in Epic. Holds a 98% average on chart accuracy audits, helped physicians close 95% of charts before leaving the shift, and is completing prerequisites for physician assistant school.

EXPERIENCE

Emergency Department Scribe — Cumberland Valley Medical Center

Nashville, TN · Jun 2023 – Present

- Document about 30 encounters per 10-hour shift for 8 emergency physicians in a 45-bed department seeing 220 patients a day.
- Average 98% on monthly chart accuracy audits across 20 reviewed charts, with full marks on history and exam sections for 10 straight months.
- Help physicians close 95% of charts before the end of shift, up from about 70% before scribes joined the team.
- Track pending labs, imaging and consults for up to 12 patients at a time, prompting physicians when results arrive.

Clinic Scribe — Belle Meade Family Practice

Nashville, TN · Aug 2022 – May 2023

- Scribed 22 to 26 visits a day for 2 family physicians, including annual exams, chronic disease follow-ups and same-day sick visits.
- Pre-charted the next day's schedule each afternoon, pulling histories and prior results for about 25 patients.
- Cut physicians' after-hours charting from about 2 hours to 20 minutes a day, based on their own time tracking.
