# Dr. Angela Okafor, FNP-C

**Family Nurse Practitioner**

Charlotte, NC · angela.okafor@example.com · (704) 555-0127 · LinkedIn

## SUMMARY

Board-certified family nurse practitioner with 6 years in primary care and urgent care, managing a panel of 900 patients across chronic disease, acute illness and preventive care. Redesigned the clinic's diabetes follow-up protocol, lifting A1C-at-goal rates from 58% to 74% in 18 months. DEA licensed, comfortable managing complex comorbidities independently.

## EXPERIENCE

### Family Nurse Practitioner — Piedmont Family Health Partners

Charlotte, NC · Jul 2022 – Present

- Manage an active panel of 900 patients, conducting 18–20 visits a day covering chronic disease management, acute care and preventive screenings.
- Redesigned the clinic's diabetes follow-up protocol, adding quarterly A1C checks and medication titration visits, raising A1C-at-goal rates from 58% to 74% over 18 months.
- Diagnosed and started treatment for a patient with atypical chest pain and a family history of early cardiac events, ordering same-day labs and an EKG within 30 minutes that led to urgent cardiology referral and a confirmed NSTEMI.
- Precept 3 FNP students per semester from a local university, supervising their differential diagnosis reasoning and documentation.

### Nurse Practitioner — QuickCare Urgent Clinics

Charlotte, NC · Aug 2019 – Jun 2022

- Evaluated and treated 25–30 patients per shift for acute conditions including infections, minor injuries and respiratory illness.
- Implemented a strep and flu rapid-test triage protocol that cut average visit time by 12 minutes during peak cold-and-flu season.
- Identified a pediatric patient's presentation as atypical for a simple ear infection, ordered additional workup within 24 hours, and caught an early mastoiditis case before it required hospitalization.
