Basic Life Support (BLS), American Heart Association, expires 2027

Advanced Cardiovascular Life Support (ACLS), American Heart Association, expires 2027

Certified Medical-Surgical Registered Nurse (CMSRN), 2024

SUMMARY

Registered nurse with 6 years in medical-surgical and telemetry units, including relief charge nurse and preceptor roles. Led a falls-prevention project that cut unit falls by two-thirds, and has oriented 6 new graduate nurses. BLS, ACLS and CMSRN certified, experienced in Epic.

EXPERIENCE

Registered Nurse, Medical-Surgical — Harrow Park Medical Center

Houston, TX · Jul 2022 – Present

- Cared for 5–6 patients per shift on a 32-bed medical-surgical unit, including post-operative, diabetic and cardiac patients.
- Served as relief charge nurse 2 shifts a week, assigning patients and supporting 8 nurses and 4 patient care technicians.
- Led the unit's falls-prevention project with hourly rounding and bed alarms, cutting falls from 9 to 3 per quarter.
- Precepted 6 new graduate nurses through 12-week orientations; all 6 completed their first year on the unit.
- Charted assessments, medications and care plans in Epic, with 98% on-time documentation in quality audits.

Registered Nurse, Telemetry — Northgate Community Hospital

Houston, TX · Jun 2020 – Jun 2022

- Monitored cardiac rhythms for up to 5 telemetry patients per shift, escalating changes to the rapid response team.
- Administered IV medications and heparin and insulin drips under double-check protocols, passing all 4 quarterly medication audits.
- Taught heart-failure patients and families about medications, daily weights and diet with teach-back, about 10 patients a week.
