LICENSURE

Licensed Pharmacist, North Carolina Board of Pharmacy, License #PH-04471, active

SUMMARY

Licensed pharmacist with 5 years across retail and hospital outpatient settings, dispensing an average of 180 prescriptions a day with zero reported dispensing errors. Caught 40 clinically significant drug interactions in the past year through active profile review, and counsels an average of 25 patients a week on chronic disease medication adherence. NC licensed, immunization certified.

EXPERIENCE

Staff Pharmacist — Carolina Health Outpatient Pharmacy

Charlotte, NC · Jun 2022 – Present

- Dispense an average of 180 prescriptions a day across retail and specialty medications, maintaining zero reported dispensing errors over 2 years.
- Caught 40 clinically significant drug interactions in the past 12 months through active profile review, preventing 6 emergency department referrals.
- Counsel an average of 25 patients a week on chronic disease medications, raising refill adherence on a diabetes cohort from 68% to 82%.
- Administered 600+ immunizations in the past year, including flu, COVID-19 and shingles vaccines, as the pharmacy's lead immunizer.

Pharmacist — Meadowbrook Pharmacy

Charlotte, NC · Aug 2019 – May 2022

- Managed prescription workflow for a high-volume retail location filling 220 scripts a day during peak flu season.
- Trained 4 pharmacy technicians on insurance rejection resolution, cutting average claim resubmission time from 2 days to same-day.
- Ran monthly medication therapy management sessions for 15 Medicare Part D patients, identifying cost-saving generic switches for 9 of them.
