Araminta Solheim

Phlebotomist

Tulsa, OK · araminta.solheim@example.com · (918) 555-0146 · LinkedIn

CERTIFICATIONS & LICENSES

Certified Phlebotomy Technician (CPT), National Healthcareer Association, 2021

BLS/CPR Certified, American Red Cross, 2024

SUMMARY

Certified phlebotomist with 4 years of experience in hospital and outpatient settings, performing an average of 45 draws a shift with a specimen rejection rate under 1%. Trained 6 new phlebotomists on difficult-draw technique and pediatric collection. Known for calm patient communication and careful specimen labeling under a fast-moving schedule.

EXPERIENCE

Phlebotomist — Saint Agnes Regional Medical Center

Tulsa, OK · Mar 2023 – Present

- Perform an average of 45 venipuncture and capillary draws per shift across inpatient and ED units, maintaining a specimen rejection rate under 1%.
- Trained 6 new phlebotomists on difficult-draw technique for pediatric and geriatric patients, cutting their average stick attempts from 2.3 to 1.4.
- Flagged a mislabeled specimen batch before it reached the lab, preventing a reported mix-up for 8 patients in one shift.
- Switched the unit's order-of-draw and tube-labeling checklist, cutting redraw requests from the lab by about 30% over 6 months.

Phlebotomy Technician — Crestline Outpatient Lab Services

Tulsa, OK · Jun 2021 – Feb 2023

- Drew blood from an average of 35 patients a day at a walk-in outpatient station, including frequent difficult draws from dialysis and oncology patients.
- Logged and tracked specimens for 3 daily courier pickups, with zero missed pickups over 18 months.
- Calmed an average of 4 needle-anxious patients a day using distraction and positioning techniques learned in training.
