SUMMARY

Licensed physical therapy assistant with 6 years in outpatient orthopedics and skilled nursing. Treats 14 to 16 patients a day under supervising PTs, with 98% of daily notes signed the same day, and helped grow a post-surgical knee program that serves about 40 patients a month. Calm with anxious post-op patients and clear with home exercise teaching.

EXPERIENCE

Physical Therapy Assistant — Chattahoochee Motion Clinic

Columbus, GA · Feb 2022 – Present

- Treat 14 to 16 outpatient orthopedic patients a day under 3 supervising PTs, covering therapeutic exercise, gait training and modalities.
- Co-built a staged knee replacement protocol now used for about 40 patients a month, with average knee flexion at discharge rising from 108 to 117 degrees.
- Finish 98% of daily notes in WebPT before leaving, helping the clinic pass 2 payer audits with no denied visits.
- Created printed and video home exercise programs for 300+ patients, and missed-visit rates on my schedule fell from 14% to 8%.

Physical Therapy Assistant — Magnolia Bend Rehabilitation Center

Phenix City, AL · Jun 2019 – Jan 2022

- Treated 10 to 12 skilled nursing residents a day for strength, transfers and balance, following plans of care from 2 PTs.
- Led a twice-weekly balance group for 8 residents that coincided with falls on the unit dropping 35% in one year.
- Trained 25 nursing assistants on safe transfer and gait belt use, cutting transfer-related staff injuries from 4 a year to 1.
