Corinne Valdivieso

Physician Assistant

Richmond, VA · corinne.valdivieso@example.com · (804) 555-0171 · LinkedIn

SUMMARY

Board-certified physician assistant with 5 years in cardiology and urgent care, seeing an average of 18 patients a day. Led a post-visit call-back protocol that cut 30-day heart failure readmissions by 14%, and trained 4 new PAs on the clinic's EHR workflow. NCCPA certified, licensed in Virginia.

EXPERIENCE

Physician Assistant — Blue Ridge Cardiology Associates

Richmond, VA · Aug 2022 – Present

- See 16-20 cardiology patients a day, managing hypertension, arrhythmia and post-MI follow-up under 2 supervising cardiologists.
- Built a 48-hour post-discharge call-back protocol for heart failure patients, cutting 30-day readmissions from 19% to 14% over 12 months.
- Perform and interpret 6-8 ECGs daily and independently manage routine anticoagulation dosing for 90 warfarin patients.
- Trained 4 incoming PAs and NPs on the clinic's Epic workflow and documentation standards during onboarding.

Physician Assistant — Fall Line Urgent Care

Richmond, VA · Jun 2019 – Jul 2022

- Evaluated and treated 20-25 patients per shift for acute injuries, infections and minor procedures across a 7-provider clinic.
- Reduced average door-to-provider time from 42 to 27 minutes by revising the intake triage checklist with nursing staff.
- Performed 300+ laceration repairs, incision and drainage procedures, and joint injections with a complication rate under 1%.
- Flagged a pattern of delayed sepsis recognition in 3 cases and co-wrote the clinic's updated sepsis screening protocol.
