EXPERIENCE

Journeyman Plumber, Service — Saguaro Flow Plumbing

Tucson, AZ · Apr 2021 – Present

- Handle 5-7 residential service calls a day, from slab leaks to water heater swaps, with a callback rate under 3% across the past 2 years.
- Completed 70+ whole-house PEX repipes on 1970s copper and galvanized homes, most finished in 2 days with water restored each night.
- Installed 140+ tank and tankless water heaters, including gas line sizing, venting changes and expansion tanks to meet local code.
- Run annual backflow tests for 35 commercial accounts, filing every report with the water utility before its deadline.
- Located and repaired 25 slab leaks using acoustic and thermal detection, rerouting lines overhead when the slab was too risky to open.

Plumber's Apprentice — Rillito Mechanical

Tucson, AZ · Jun 2017 – Mar 2021

- Logged 8,000 hours under licensed journeymen on new-construction rough-ins and top-outs for 3 tract-home builders.
- Set DWV and supply rough-in for 110 single-family homes, passing the city pressure and drain tests on the first call for all but 4.
- Installed trim and fixtures in 45 homes per quarter during the 2020 building peak, working a 2-person crew.
