SUMMARY

Safety specialist with 6 years of experience in food manufacturing and warehouse logistics, running OSHA compliance, incident investigations and safety training for sites of 200+ workers. Cut recordable incidents by 34% at a distribution center through a redesigned forklift traffic plan and led training that brought a plant's audit score from 76 to 94.

EXPERIENCE

Safety Specialist — Harbrook Distribution Center

Louisville, KY · Apr 2022 – Present

- Redesigned forklift traffic patterns and pedestrian walkways across a 400,000 sq ft warehouse, cutting recordable incidents by 34% over 18 months.
- Investigated 28 incidents and near-misses, tracing 60% of lifting injuries to an unmarked mezzanine step and getting it rebuilt within 3 weeks.
- Ran monthly OSHA-compliant training for 210 warehouse staff on lockout/tagout and PPE, raising quiz pass rates from 71% to 96%.
- Led the site through an OSHA inspection with zero citations after closing 18 of 20 findings from an internal pre-audit.

EHS Coordinator — Millbrae Food Processing

Louisville, KY · Feb 2019 – Mar 2022

- Maintained OSHA 300 logs and chemical SDS binders for a 180-person plant, passing 3 consecutive state inspections with no major findings.
- Rewrote 15 lockout/tagout procedures to match actual equipment, cutting energized-equipment near-misses from 11 to 2 a year.
- Trained 150 line workers on hazard communication and confined-space entry, bringing the plant's internal audit score from 76 to 94.
