## SUMMARY

SAP FI/CO consultant with 7 years configuring S/4HANA for manufacturing and distribution clients. Led the general ledger redesign for a $400M manufacturer's S/4HANA migration, cutting month-end close from 9 days to 4, and now supports MM and FI/CO for a 3-site distributor. Comfortable running workshops with finance and operations stakeholders directly.

## EXPERIENCE

### Senior SAP FI/CO Consultant — Brightmoor Industrial Group

Charlotte, NC · Feb 2023 – Present

- Led the FI/CO redesign for a greenfield S/4HANA migration, configuring new chart of accounts and profit center hierarchy for a $400M manufacturer; month-end close dropped from 9 days to 4.
- Configured automated bank reconciliation and intercompany clearing rules across 5 legal entities, cutting manual journal entries from 1,200 to roughly 150 a month.
- Ran fit-gap workshops with 14 finance stakeholders across 3 business units, documenting 60 requirements and resolving 9 as configuration rather than custom development.
- Built and delivered the cutover plan for the FI/CO go-live, including 3 mock cutover rehearsals, resulting in a go-live with no P&L posting errors in the first close.

### SAP MM Consultant — Caldervale Distribution Partners

Charlotte, NC · Jun 2019 – Jan 2023

- Configured procurement workflows and release strategies for purchase orders across 3 distribution sites, cutting average PO approval time from 4 days to 1.
- Resolved a recurring inventory valuation mismatch affecting 2,000 SKUs by correcting moving-average price configuration, saving the client an estimated $85K in misstated COGS.
- Supported 2 S/4HANA support packs, testing 40 custom MM enhancements each cycle and reporting zero regressions in production.
- Trained 18 warehouse and procurement staff on the new MM transactions after a system upgrade, cutting support tickets related to the upgrade by half within a month.
