SUMMARY

Licensed speech-language pathologist with 5 years of experience across elementary school and outpatient pediatric settings, managing caseloads of up to 45 students. Moved 80% of a kindergarten articulation caseload to grade-level sounds within one school year, and built a classroom-wide AAC training that raised teacher confidence using communication devices. ASHA certified, bilingual in English and Spanish.

EXPERIENCE

Speech-Language Pathologist — Mesquite Ridge Elementary School

Tucson, AZ · Aug 2022 – Present

- Manage a caseload of 45 students in grades K-5 with articulation, language and fluency disorders, writing and tracking progress on 45 IEP goals each year.
- Moved 80% of a 12-student kindergarten articulation group to grade-level sound production within one school year using minimal pairs and cued articulation.
- Trained 15 classroom teachers on supporting 6 AAC device users, raising teacher-reported confidence from 2 to 4 on a 5-point scale.
- Led annual IEP meetings for 45 students, presenting progress data to parents and teachers and adjusting goals for 10 students mid-year based on results.
- Co-taught a social communication group for 8 students with autism, which cut reported peer-conflict incidents during lunch by 30%.

Clinical Fellow, Speech-Language Pathology — Sonoran Pediatric Therapy Clinic

Tucson, AZ · Jul 2020 – Jun 2022

- Provided individual therapy to a caseload of 20 pediatric patients with language delays, apraxia and feeding difficulties, under supervision toward ASHA certification.
- Ran a 10-week parent-coaching program for 12 families of late-talking toddlers, with 9 of 12 children reaching age-appropriate word counts by program end.
- Documented and billed 25 sessions a week in compliance with insurance requirements, maintaining a 98% clean-claim rate.
