Marisol Brandtner-Okafor

Supply Chain Analyst

Memphis, TN · marisol.brandtnerokafor@example.com · (901) 555-0147 · LinkedIn · Portfolio

SUMMARY

Supply chain analyst with 5 years in consumer goods distribution and contract manufacturing, supporting 3 warehouses and about 4,200 active SKUs. Builds demand and inventory models in SQL, Excel and Power BI, and works with buyers to turn them into orders. Raised fill rate from 93% to 97.5% while cutting days of supply by 9 days.

EXPERIENCE

Supply Chain Analyst — Riverbluff Home Goods Distribution

Memphis, TN · Apr 2023 – Present

- Rebuilt safety stock settings for 4,200 SKUs using demand variability and supplier lead times, lifting fill rate from 93% to 97.5% in 3 quarters.
- Cut average days of supply from 54 to 45 by flagging 610 slow movers and agreeing reduced order quantities with 6 buyers.
- Built a Power BI dashboard of inbound freight cost per pallet across 14 carriers, used in 2 rate negotiations that saved about $310,000 a year.
- Automated the weekly open purchase order report with SQL and Power Query, saving buyers around 7 hours each Monday.

Supply Planning Analyst — Corvane Contract Packaging

Jackson, MS · Jun 2021 – Mar 2023

- Maintained the 13-week material plan for 3 packaging lines and 180 components, reducing line stoppages for missing materials from 11 to 3 a quarter.
- Measured supplier on-time delivery for 42 vendors and shared monthly scorecards that moved 5 late suppliers above 90%.
- Reconciled cycle count variances with the warehouse team, cutting inventory adjustments by 38% in 1 year.
