SUMMARY

Journeyman tile setter with 8 years in custom bathrooms, kitchens and light commercial floors. Sets about 200 square feet of floor tile a day on standard jobs and specializes in large-format porcelain and curbless showers. Callbacks stayed under 1% of completed rooms over the last 3 years. Reads plans, preps substrates properly and leaves job sites clean.

EXPERIENCE

Lead Tile Setter — Front Range Tile & Stone

Denver, CO · Feb 2021 – Present

- Install about 40 bathrooms and 15 kitchens a year, with jobs ranging from $6,000 to $48,000.
- Built 65 curbless and walk-in showers with sheet membranes and linear drains, all passing 24-hour flood tests.
- Set about 9,000 square feet of 24x48 porcelain a year with leveling clips, keeping lippage within industry tolerance.
- Kept callbacks under 1% of finished rooms over 3 years by checking substrate flatness before every install.
- Train 2 apprentices at a time on layout, mixing thinset and grouting, with 4 now setting tile on their own.

Tile Setter — Mile High Interiors

Aurora, CO · Apr 2017 – Jan 2021

- Tiled floors and walls in about 120 new-build homes for 2 regional builders.
- Averaged about 220 square feet of floor tile a day on production jobs.
- Cut waste from about 12% to 8% by planning layouts and cuts on graph paper before opening boxes.
