SUMMARY

Video editor with 5 years of experience in branded content and YouTube production, working mainly in Premiere Pro, After Effects and DaVinci Resolve. Re-cut a client's top ad to lift completion rate by 22%, and edits the weekly channel series that grew average view duration from 3:40 to 5:10. Known for fast turnaround and tight pacing under a deadline.

EXPERIENCE

Video Editor — Lanternfish Media

Portland, OR · Feb 2023 – Present

- Edit 10-14 branded videos a month in Premiere Pro for 6 clients, averaging a 2-day turnaround from raw footage to first cut.
- Re-cut a client's 60-second product ad around a stronger hook, lifting completion rate from 31% to 22% higher and cutting cost-per-view by 18%.
- Built a motion graphics template library in After Effects covering lower thirds, captions and transitions, cutting new-video setup time from 45 to 10 minutes.
- Color graded and mixed audio for 4 documentary-style client case studies, each under 6 minutes, delivered to broadcast-safe spec on the first pass.

Associate Video Editor — Northbend Creative Studio

Portland, OR · Jun 2020 – Jan 2023

- Edited the weekly 8-minute YouTube series for an in-house channel, growing average view duration from 3:40 to 5:10 over 18 months.
- Synced and edited multi-camera interview footage from 3 ISO cameras into single timelines for 60+ episodes.
- Cut 25 short-form clips a month from long-form interviews for Instagram and TikTok, 9 of which passed 100,000 views.
