EXPERIENCE

Warehouse Associate — Sagebrush Distribution Center

Reno, NV · Mar 2023 – Present

- Pick and pack an average of 142 units per hour on a voice-pick system, against a 110-unit team target, with 99.6% order accuracy.
- Operate sit-down and reach forklifts to load 30-40 outbound trailers a week, with zero safety incidents in 2 years.
- Ran weekly cycle counts across 1,200 SKUs and cut the discrepancy rate from 4% to under 1% by flagging a mislabeled bin location.
- Trained 6 new hires on the warehouse management system and pick-path standards during their first 2 weeks.

Warehouse Associate — Truckee River Logistics

Sparks, NV · Jan 2021 – Feb 2023

- Received and put away inbound freight from 15-20 trailers a day, scanning 3,000+ units per shift into the inventory system.
- Built outbound pallets to carrier spec for 200+ daily shipments, maintaining a damage rate under 0.5%.
- Reorganized a 400-bin fast-pick zone by sales velocity, cutting average pick-path distance by an estimated 18%.
